Abstract	Why image could not show on MFC_UI when using Advantech PCIE-1172		
Keyword	PCIE-1172, PCIE-1174		
Related Product	PCIE-1172, PCIE-1174		

■ **Problem Description:**

When I use MFC_UI sample code to get image from Advantech PCIE-1172, the image could not show on the window. What can I do?

Picture2:MFC_UI

■ Brief Solution - Step by Step:

Please make sure that “Pixel Format” is “Mono8” in CAMNavi Viewer/Image Format Controls because MFC just support “Mono8.” If pixel format is not “Mono8”, change it to “Mono8.” In other work, it does not support color image.
