Keyword	digital signature , Yellow exclamation mark, hilscher, Windows 7, WES7		
Related Product	PCM-26R2EI-MAE/PCM-26R2EI-SAE/PCM-26R2EC-MAE / PCM-26R2EC-SAE/PCM-26R2PN-MAE/PCM-26R2PN-SAE/PCM-26D1DB- MAE/PCM-26D1DB-SAE/PCM-26R2S3-MAE/PCM-26R2S3-SAE/PCM-26R 2PL-SAE		

■ **Problem Description:**

During driver installation, windows will pop up the message of windows cannot verify the digital signature for the driver required for this device. After installation, there is a there is a yellow exclamation mark in device manager

■ **Answer:**

Because win7 doesn't support SHA-2 digital signature, so we need to install hot-fix to support it. You can download the hot-fix as below link:
