Abstract	How to confirm the maximum dimensions of PCI/PCIe expansion card which can be set in UNO?		
Keyword	PCI/PCIe expansion card dimensions, UNO-series		
Related Product	UNO-3283G/ 3285G, UNO-3073G/ 3075G, UNO-3384G, UNO-3283G ,UNO-1483G		

■ **Problem Description**:

This document is for those who has requirement for PCI/PCIe card extension using UNO products.

Customer could check the maximum dimension of extension card which is acceptable for UNO-1000 and UNO-3000 series.

■ **Solution**:

The maximum length of PCI/PCIe extension card for UNOs is as shown below.

Model	可支援的 PCI/ PCIe 卡片長度
UNO-3283G/ 3285G	167mm
UNO-3073G/ 3075G	167mm
UNO-3384G	167mm
UNO-3483G	167mm
UNO-1483G	167mm

For dimensions in width and height, please refer to standard specification of PCI/PCIe card.

Our designs are all follow the standard specification.
