Category	■FAQ □ SOP	Related OS	Windows 10			
Abstract	low to disable the Action Center notification message					
Keyword	Action Center notification	n, Windows 10,				
Related	TDC DDC					
Product	IPC, PPC,					

Problem Description:

Some customers' applications don't want the action center message to slide out when the touch screen is swiped. Therefore, this FAQ mainly tells you how to cancel the action center message.

Brief Solution - Step by Step:

 To turn off the "Action Center", first press the [Start Program] + [R] button on the keyboard to open the "Execute" dialog box, then enter "regedit" in the "Open" blank box and press Next [OK] called the login editor.

🖉 Run		X
	Type the name of a program, folder, document, or Internet resource, and Windows will open it for you.	
<u>O</u> pen:	regedit	~
	OK Cancel <u>B</u> rowse.	

2. After the "Registry Editor" appears, expand the

"HKEY_CURRENT_USER\SOFTWARE\Policies\Microsoft\Windows" machine code in the left pane, then right-click in any space in the right pane and click the Quick Menu. [New] \rightarrow [key].
